POLICY TITLE: Association Memberships

POLICY NUMBER: 1005

Purpose: This policy sets forth the rules for membership in associations and establishes who may represent the District.

1005.1 Appropriate Memberships. To take advantage of in-service training opportunities, the District may hold membership in industry related associations. The representatives and alternates shall report to the Board in a timely manner on their activities involving these associations. In some cases members may be allowed certain expenses for travel and membership in such associations. This shall be determined and approved by the full Board.

1005.3 District General Manager Memberships. The Chairperson may designate the District General Manager as the appropriate representative or alternate in connection with memberships in any association. The District General Manager may designate those associations or industry specific organizations with which his/her association is necessary or desired.
