

Twentynine Palms Public Cemetery District

POLICY TITLE: Accommodations for Disability
POLICY NUMBER: 3100

3100.1

The employment related provisions of the Fair Employment and Housing Act ("FEHA") and the Americans with Disabilities Act ("ADA") apply to all employees and job applicants seeking employment with the District. Under the ADA, a qualified individual with a disability is an individual who, with or without reasonable accommodation, can perform the essential functions of the position in which the individual is employed.

3100.2 The District will attempt to provide reasonable accommodation for known physical or mental disabilities if a job applicant or employee is otherwise qualified, unless undue hardship related to the necessity of business operations would result, in accordance with federal or state law. An applicant or employee who requires accommodation to perform the essential functions of the job should inform the General Manager, or his or her supervisor, to request an evaluation of such an accommodation. The District will participate in the interactive process with the employee in order to determine whether or not a reasonable accommodation, which does not present undue hardship to the District, exists.

Employee or applicant should contact the General Manager for further information.
